This tall blonde gal comes from Denison, Iowa. Last Summer she worked for Mycogen seeds pollinating corn and she is excited to work for Helena as a sales intern beginning in May. She is also known for her awesome rugby skills here at Iowa State! She has 2 brothers in case you were wondering. Being a sophomore, she has gone on both industry tours as well. This out-going personality girl is a fun one to hang out with, but sorry boys, she's taken.
