This gorgeous gal is a senior from Somonauk, Illinois. She is majoring in Ag Business with a minor in Agronomy. Her hobbies include watching the Packers, playing softball, and driving tractors. Her favorite thing about ISU has been all the people she's met through the Ag program and all the wonderful memories she's made. Her favorite food is steak. A random fact about this member is she grew up showing cattle. In May, she will take on a full time job with River Valley Coop. Her advice to underclassmen is to get involved with everything possible and not turn down any opportunities. For any man that is single and looking, this cute farm girl is currently not taken!
