Guess the Member

If you can guess who this member is you will be entered into a drawing for \$5. You must email crmiller@iastate.edu with the correct answer by Thursday noon and you may only guess once. The drawing will take place at the meeting so you must be present to win.

This friendly farm boy from Linn Grove, IA is a sophomore in Ag Business. Some of the Ag Business he has enjoyed being involved with recently are roadside clean-up and golf tournament (which his team won...no bragging intended!). He is also planning on going on the Fall Industry Tour to Chicago/Milwaukee. Some of his hobbies include golfing, football, and basketball. His favorite food is pizza. One interesting fact about this member is a few years ago he had the opportunity to surf out in California (word on the beach says he was hanging ten with the best of them!). Good news ladies this farm/surfer boy is currently single, so if you're looking for chores in the morning followed by waves in the afternoon, this is your man! ☺

Attend the meeting for a chance at \$100 or other great prizes.
