This sophomore male is from Stanhope, Iowa. His Ag Business Club activities include the fall industry tour, roadside clean-up, and the golf tournament. He is also a peer mentor for Ag Business. You can find this red headed fireball running, riding 4-wheelers and snow mobiles, boating, and hanging out with friends. Mycogen Seeds had the honor of having him as their intern last summer and he is also a member of Ag Ambassadors and the Student Alumni Leadership Council on campus. Good news ladies, this fella's single!
