Sociology - AGLS

AGRICULTURAL BUSINESS CLUB OCTOBER

Meet a Sponsor

Building on 60 years of refining and manufacturing experience, Flint Hills are an industry leader at reducing air emissions. But that is just part of the story. At every turn, they are pursuing new ways to increase safety and eliminate waste. Based in Wichita, Kansas, Flint Hills Resources is an independent company and wholly owned subsidiary of Koch Industries, Inc., one of the largest private companies in America.

Meet an Officer

Name: Brandon Klaes
Office: Vice President
Hometown: Riceville, IA
Classification: Senior
Status: Green Light

Guess the Member

This member is a senior from Ottawa, IL. He is majoring in Agricultural Business along with minoring in Animal Science. Contrary to popular belief, he is not related to Dr. Deiter. He is also a red light.
